

Myrtle Avenue Adopt-A-Bench & Adopt-A-TreeGuard

When you choose to participate in Myrtle Avenue's Adopt-A-TreeGuard or Adopt-A-Bench Program, you are helping to maintain our custom-designed street furniture – each with unique panels designed by local artists – while also helping to maintain the health of Myrtle Avenue's street trees and tree pits.

Bench adoptions are \$2,500 and tree guard adoptions are \$1,500. Each bench and tree guard adoption is for a duration of five years, and is fully tax-deductible.

On your favorite block or section of Myrtle Avenue in Fort Greene and Clinton Hill, Brooklyn, please select two or three benches or tree guards that you particularly like (we suggest you select more than one in case your first choice is not available). Select your choices by circling them on page 3 of this form, and numbering your first through third choices. Be sure to choose benches or tree guards that are not crossed out, as those have already been adopted. If you would like help selecting a bench or tree guard, just let us know—we are happy to help.

Adopt-A-Bench

We will acknowledge your donation of \$2,500 with a personalized plaque on the bench of your choice for 5 years, and on our website. Plaques may list multiple donors or be in honor of or in memory of an individual, though there is space for a limited number of characters on each plaque (up to 30 characters on each of 4 lines). You may choose the inscription for the plaque using the 2nd page of this form. Once approved, it takes approximately **six to eight weeks** for the plaque to be produced and installed.

Bench adoptions are 100% tax-deductible, and payment can be made by check payable to **Myrtle Avenue Revitalization Project LDC**, or via credit card.

Adopt-A-TreeGuard

We will acknowledge your donation of \$1,500 with your name, listed on the laser printed signage built into each tree guard, on the tree guard of your choice for 5 years, and on our website. There is space for only a limited number of characters on each tree guard sign (up to 30 characters on one line). You may choose the listing to be used for the sign using the 2nd page of this form. Once approved, it takes approximately **two weeks** for the sign to be produced and installed.

Tree Guard adoptions are 100% tax-deductible, and payment can be made by check payable to **Myrtle Avenue Revitalization Project LDC**, or via credit card.
