

BID Annual Meeting Registration 2014

RSVP

On Monday, September 29th, 2014, the Myrtle Avenue Brooklyn Partnership will hold its 10th BID Annual Meeting at 6pm at The Emerson (561 Myrtle Avenue).

RSVP's are required to attend, and BID members* must register their membership in order to actively participate in BID-related matters and the board election. We encourage you to join us for the event in order to hear about our recent accomplishments and initiatives, and to network with your fellow Myrtle Avenue property owners and business owners.

For more information regarding the BID or the annual meeting, please contact the BID office at (718)230-1689.

*BID membership is available to all property owners, merchants, and residents of properties fronting Myrtle Avenue between Flatbush and Classon Avenues. You just need to fill out a quick form registering your membership each year.

Member Registration

As a general rule, all commercial and mixed-use property owners, as well as all commercial and residential tenants, of tax lots that front Myrtle Avenue between Flatbush Avenue Extension and Classon Avenue are entitled to membership in the BID. If you are unsure whether you qualify for BID membership, please call our office at (718)230-1689 for assistance.

If you are within the Myrtle Avenue Brooklyn BID boundary, you must register your membership annually to participate in BID-related business. Membership entitles you to vote at the annual meeting, and ensures that you receive important information regarding current and future plans for the avenue. While the Annual Meeting is open to the public, only registered members may vote at the meeting (if a vote is being held). Even if your schedule does not permit you to attend this year's meeting, please register your membership and send a representative, if possible.

Please complete a separate RSVP for EACH member planning to attend the annual meeting.

BID Annual Meeting Registration 2014

(optional) We are still working to finalize the presentation for this year's BID Annual Meeting. While we have a lot to fit into a tight time frame, we would like to ensure that the meeting content is as useful as possible. What topics/projects would you most like to hear about from BID staff at this event?
